Examiner's Statement of Reasons for Allowance

Allowance (10/26/06)

1. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "a basic module onto which the roof module is placed which is approximately level with a side wall edge of the body, respectively assigned cross members via which the front and rear roof columns of the roof module are connected to one another, and a supporting plate of a rear parcel shelf which is stiffened by at least one of the cross members via which the rear roof columns are connected to one another, wherein the basic module comprises a support arrangement which extends in a transverse direction of the vehicle and is closed by the supporting plate to form a supporting frame, and wherein the support arrangement has supports which run in a vertical direction of the vehicle and are connected to each other via a further cross member extending level with a vehicle floor" in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
